

STUDY IN SLOVAKIA

GOOD IDEA

September – December

Start exploring study options in Slovakia and decide which field and Higher Education Institution (HEI) interest you most.

September – December

Choose one of the designated HEIs and study programmes.

October – December

Visit your chosen HEI's website to see if you meet the admission criteria and start communicating with the HEI early to learn about the application process and deadlines.

December – May

Submit your application to the HEI of your choice.

January – May

If study entrance tests are required, prepare for them.

May – June

Complete entrance exams or interviews if required by your chosen HEI.

May – August

Once you receive your admission decision, start communication with your HEI regarding the visa process, if necessary. Some universities report accepted students who need a visa to the respective Slovak diplomatic missions, and based on this information, the embassy assigns a visa appointment date, which will be sent to you by HEI. Therefore, it is important to stay in close contact with your HEI at this stage.

June – September

Arrive in Slovakia and officially enrol at your HEI.

Later

Study, explore, and feel at home in Slovakia.
