

STUDY IN SLOVAKIA

GOOD IDEA

September – December

Start exploring study options in Slovakia and decide which field and Higher Education Institution (HEI) interest you most.

September – December

Choose one of the designated HEIs and study programmes.

October – December

Visit your chosen HEI's website to see if you meet the admission criteria and start communicating with the HEI early to learn about the application process and deadlines.

January – May

If study entrance tests are required, prepare for them.

December – May

Submit your application to the HEI of your choice.

May – August

Once you receive your admission decision, start communication with your HEI regarding the visa process, if necessary. Some universities report accepted students who need a visa to the respective Slovak diplomatic missions, and based on this information, the embassy assigns a visa appointment date, which will be sent to you by HEI. Therefore, it is important to stay in close contact with your HEI at this stage.

Later

Study, explore, and feel at home in Slovakia.

June – September

Arrive in Slovakia and officially enrol at your HEI.
